

HACU 10th Prek-12 Higher Education Collaboration Symposium

Friday, November 1, 2024 - Gaylord Rockies Resort & Convention Center - Aurora, Colorado

The PreK-12/Higher Education Collaborative Symposium is a pre-conference event focusing on high impact collaborative practices implemented between colleges, universities, school districts and the community that have led to systemic change.

The Symposium benefits higher education leaders, PreK-12 educators/administrators and other community stakeholders to be able to promote and empower their communities to implement collaborative practices utilizing the resources and connections highlighted during the Symposium.
