Source: HACU Analysis of 2024-25 IPEDS Data, NCES

Prepared by: Rebecca Perdomo, Ph.D., for the Hispanic Association of Colleges and Universities.

HC: Headcount, total number of students enrolled including full-time and part-time students. Unlike with full-time equivalent (FTE), part-time students are counted individually.

UG: Undergraduate students

FTE: The full-time equivalent number represents part-time students by less than 1, accounting for reduced credit hours, and combines that number with the number of full-time students.

The Hispanic Association of Colleges and Universities (HACU) recognizes the following:

Hispanic-Serving Institutions (HSIs): Institutions with Hispanic Full-Time Equivalent (FTE) enrollment of at least 25%.

Emerging HSIs (EHSIs): Institutions with Hispanic Full-Time Equivalent (FTE) enrollment between 15% and 24.99%.

To qualify as an HSI or EHSI, institutions must also meet the following criteria beyond Hispanic FTE enrollment:

Qualify for Title IV aid.

Hold non-profit status.

Confer at least one undergraduate degree (Associate's or Bachelor's).

HACU HSI List Inclusion Criteria

Enrollment Threshold

Institutions must meet a threshold of 25.0% or greater Hispanic undergraduate FTE enrollment to be classified as an HSI. Enrollment percentages may not be rounded up prior to applying the threshold. Institutions with Hispanic undergraduate FTE between 15.00% and 24.99999% are classified as Emerging HSIs.

Theological Institutions

Exclude institutions that only confer theological degrees. Apply the following two-step test:

1. Degree check: Did the institution confer 1+ non-theological associate's or bachelor's degrees in the prior academic year? If not, exclude. If yes, proceed to Step 2.
2. Institutional about/mission: For institutions that confer 1+ non-theological degree, (e.g. general studies, business), review the institution's website.

If the institution's stated mission and description is to prepare students for ministry, church service, or religious vocations, and there is no emphasis on secular, civic, or labor market roles, exclude regardless of degree labels.

Note: Institutions whose mission extends into secular civic, social, or labor market contributions, even within a faith-based framework, may qualify. Mission language is a tiebreaker on cusp cases, not an independent disqualifier.

Undergraduate Programs

Exclude institutions that did not confer associate's or bachelor's degrees in the prior academic year. HSIs must have standalone undergraduate programs.

Minimum Undergraduate Enrollment

Using the prior year's total undergraduate student headcount variable per IPEDS, exclude institutions that enroll fewer than 10 students.

Federal Eligibility for Title V

To qualify as an HSI under federal [Title V guidelines](#), an institution must:

Have at least 25% undergraduate full-time equivalent (FTE) Hispanic enrollment.

Demonstrate that at least 50% of its student population qualifies for need-based Title IV federal financial aid.

Demonstrate low average expenditures compared with similar institutions.

Federal eligibility is determined by the U.S. Department of Education and is a prerequisite for applying to HSI-related federal grant programs. Emerging Hispanic Serving Institutions (EHSIs) do not have a federal designation.

Note: Being listed as an HSI by HACU does not constitute formal federal designation for Title V or other federal funding opportunities.
